

NoteFest Orchestra - Year 1

One assignment. Violin, viola, cello, and bass students each get their own book.

Mixed string classes. Google Classroom. Four recitals. Real orchestra.

For Teachers

- Assign Year 1 once to the whole class.
- Each student receives the correct instrument book.
- My Homework, My Journey, My Skills.
- Google Classroom: one CourseWork per slot.
- Instrument locks after first choice.
- Teacher corrects on the People page.
- Grades and time-on-task per student.
- Four recitals (one after each string unit).
- Drip release when your class is ready.

For School Admins

- Seats and active users across the org.
- Domain allowlists and roster sync.
- Time-on-task and completion by class.
- Cross-class progress in one view.
- Instrument visible read-only to admins.
- Teachers correct choices for students.
- School accounts skip consumer newsletter.
- Google Workspace integration.
- Demo logins available on request.

Year 1 at a Glance

Strings taught: D, A, G, and instrument final string (violin/bass: E; viola/cello: C).

Mixed-class concerts stay in unison on D+A. G and final-string recitals are per-instrument homework.

Recitals: 1 after Unit 5 (D: Hot Cross Buns), 2 after Unit 6 (A), 3 after Unit 7 (G), 4 after Unit 8 (E or C).

Short product videos (record 60-90s each)

1. Teacher: assign Year 1 to a mixed class.
2. Mixed roster: violin + viola + cello + bass students see different books from one assignment.
3. Student completes homework; it appears in Google Classroom.
4. Admin: view seats, time-on-task, and progress across classes.

Try it

Request a teacher or admin demo login: hello@notefest.com or the contact form.

Demo accounts use sample data, reset nightly, and cannot create real billing or cross-org data.
